MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Request for Estimate of Need for KH Billets in
Calendar Year 1969

REFERENCES : a. USIB-D-41.12/17 (COMOR-D-37/22), 26 April 1966
b. USIB-D-46.2/2 (COMIREX-D-37.1/1),
18 January 1968, Special Limited Distribution

1. It is requested that members of the United States Intelligence Board submit to this office by 15 January 1969 estimates of KH billets which will be required by their agencies during Calendar Year 1969. This request is submitted in accordance with the requirement stated in reference a. and the further guidelines in reference b.

2. In order to have a common basis for preparing the consolidated report, it is requested that each member project his estimate from the on-duty clearance figure for his agency as of 31 December 1968. Since this office will not have the 31 December figure in all cases, please include it in each response.

3. Each Board member is urged to study any estimated increases for his agency to ensure that clearances are confined to personnel and components who have an established and continuing need to use KH imagery and material in unsanitized form.

4. Questions on this report may be referred to [redacted] Executive Secretary, COMIREX, who will be preparing the consolidated report for the Chairman, USIB. [redacted] can be reached on telephone code 143, extension 7583.
